

SABARTM

SINCE 1969

HYDCM

Hydraulic Cot Mounting / De-Mounting Machine

Fascination

- Vertical Zone: For Mounting & De-Mounting of small cots like Ring frame, Speed frame, Elite, Open End, Texturizing, Airjet etc.
- Horizontal Zone: For Mounting & De-Mounting of long cots like Draw frame, Comber, Sliver lap etc.
- Without any operational constrain, operator can work together on both the zones.
